

## Summary

### Client

Newham Council

### Location

Newham

### Project Value

£14.7 m

### Contract Start

August 2014

### Contract Completion

Ongoing

## Atherton Leisure Centre

### Project Brief

A new build leisure centre, to replace an existing building, incorporating:

- Fully accessible 20m teaching pool
- 25m x 6m lane main pool
- Gym
- Fitness Studios
- Café, Crèche and play area.

Stanton Consulting were responsible for:

- Full thermal model, including SBEM and EPC
- Design of Mechanical, Electrical and Public Health services.

The building also includes a CHP system and rain water harvesting, to aid in the design of a highly sustainable and energy efficient building.
